

ADVANTAGES IN THE USE OF COOKIES

Our website uses cookies, as almost all websites, in order to supply you the best website experience. Cookies are small text files that are placed on your computer or mobile phone when surfing the net. The cookies used on our website help us to:

- make the operation of the web site as you would expect;
- remembering the settings during and between visits;
- improve site speed / safety.

IN OUR WEBSITE WE DO NOT USE COOKIES TO:

- collect personal identifiable information (without your consent);
- collect sensitive information (without your consent);
- pass data to advertisement networks;
- pass personal identifiable information to third parties;
- pay sales commissions.

TYPES OF COOKIES USED ON OUR WEBSITE:

Technical cookie

Technical cookies are cookies that do not record information about the user for profiling purpose, but to ensure a better service. They can be divided into navigation cookies or session cookies. They ensure the normal navigation and use of the website (allowing, for example, to make a purchase or authenticate to access restricted areas).

Third-parties cookies

Our website, like most web sites, includes the functionalities provided by third parties. A common example is an incorporated YouTube video. The Third-parties cookies come from other domain sources that have items, such as ads, pictures, or videos incorporated on the page.

Cookies renounce

If you are worried about the use of cookies, you can intervene and prevent the setting, for example, by changing the browser configuration to block certain types of cookies.

For detailed information on the required procedure, you can consult the browser guide.
